It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately.

All fines are waived as it is found that the defendant does not have the ability to pay.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of ten years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U. S. Probation Office and General Order 318;
2. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer;
3. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath, and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using illicit drugs and alcohol, and abusing prescription medications during the period of supervision;
4. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential drug treatment program approved by the United States Probation Office for treatment of narcotic addiction or drug dependency, which may include counseling and testing, to determine if the defendant has reverted to the use of drugs, and the defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer;
5. As directed by the Probation Officer, the defendant shall pay all or part of the costs of treating the defendant's drug dependency to the aftercare contractor during the period of community supervision, pursuant to 18 U.S.C. § 3672, to the degree the defendant is financially able to pay. 6. During the period of community supervision the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment; and
  7. The defendant shall cooperate in the collection of a DNA sample from the defendant.

The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge.

The defendant is advised of his right to appeal.

The Court GRANTS the government's motion to dismiss all remaining counts of the indictment and the 851 information.

The Court strongly recommends that the defendant be placed in the 500 hour drug treatment program (RDAP) while in the custody of the Bureau of Prisons and that the defendant be placed in a facility that offers the program.  
The Court further recommends FCC Lompoc.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
